

Michael (Mike) Golojuch, Department of Budget and Fiscal Services

I humbly ask for your vote as the Retiree member to the City's Deferred Compensation Committee. I am completing my term as the Retiree member and would like to serve another term.

I was the BFS Administrative Services Officer for 12 years. One of my primary duties was as the Administrator, Deferred Compensation Program, City and County of Honolulu. We saw the assets increase from \$200 million to over \$500 million. Now, the assets are worth over 1 billion dollars.

I worked with the Committee to establish written bylaws and investment policies and helped in the process to hire our first consultant, SST Benefits. I also helped with two Request for Proposals for the third-party provider. I have attended all trainings for Committee members and staff.

I am happy to say that we have received numerous awards from the National Association of Government Defined Contribution Administrators (NAGDCA), including Plan Design & Administration and Save for Retirement Week (now, *National Retirement Security Week*).

I have served on NAGDCA committees, including the Annual Convention Committee, Participation Engagement Committee, National Save for Retirement Committee, and the Awards Committee.

Please vote for Mike Golojuch.
