You need to make a choice

Name your beneficiary today

Designating a beneficiary is easy. Don't wait. Do it today.

You do not have a beneficiary named to your State of Florida Deferred Compensation Plan account. Your immediate attention is required. Designating a beneficiary on your account and keeping it updated is critical. It is important that the savings you've accumulated are passed along to the right people. Please complete and return the enclosed Participant Action Form (PAF) to designate your beneficiary and protect the people who matter most to you. *Important: If you have other financial accounts that would pay a benefit upon your death, you must name and manage your beneficiary on each account separately.*

It's easy to get started. Just follow these steps.

Complete the enclosed PAF. Name a primary beneficiary, but also consider naming a contingent beneficiary as well.

Please call Javier Ortiz* at **(813) 281-3701** or email **javier.ortiz@voya.com** with questions about naming a beneficiary.

Return the form for processing to:

It's a good habit to regularly review your beneficiaries for any account that you maintain a beneficiary. Make a note for yourself to check your accounts at least annually to ensure that your loved ones will be cared for according to your wishes.
