**Rebecca McGee, Investment Advisor Representative\***  
[Rebecca@scissortailadvisors.com](mailto:Rebecca@scissortailadvisors.com)  
**405-568-2889**

Rebecca McGee has been advising financial clients with Voya Financial Advisors since 2007. Rebecca leads Scissortail Advisory Group in Edmond, Oklahoma. Rebecca works closely with employers to reach their employees with information regarding their retirement benefits. She helps educators and their families identify and pursue their financial goals. With experience in financial planning, investing, and insurance, Rebecca works directly with her clients as they save and invest for retirement, encounter major life events, and enjoy their retirement years. Rebecca graduated Magna Cum Laude from Oklahoma City University with a Bachelor of Science in Psychology and completed a Master of Arts in Economics at the University of Oklahoma. When she isn't helping clients, Rebecca enjoys hiking and exploring with her husband and three children. Rebecca is active in Oklahoma's adoption community and is a member of Leadership Oklahoma City Class 39.

**Jessica Spencer Price, Investment Advisor Representative**  
[jessica@scissortailadvisors.com](mailto:jessica@scissortailadvisors.com)  
**405-568-2889**

Jessica Spencer Price joined Voya in 2022 as an Investment Advisor Representative. She worked in higher education as an instructor and administrator for 10 years before moving into financial services. Jessica's educational background is in human behavior and psychology. She earned baccalaureate degrees in Psychology and Religion from Oklahoma City University and a Master of Arts in Psychology from the University of Central Oklahoma. She loves working with educators and helping them reach their financial goals. She gives personalized financial advice to help clients find financial security and freedom. She excels at educating clients and empowering them to make financial decisions and progress toward their goals. Jessica especially enjoys helping clients plan for their loved ones with special needs. Outside of work, Jessica has 5 children and is normally planning the next big art project or science experiment with her and spouse and kids.
